WE ARE THE WORLD

There comes a,
When we head a certain call
When the world must come together as one
There are dying
And it's time to lend a hand to life
The greatest gift of all
We can't go on
Pretending day by day
That someone, somehow will soon make a
We are all a part of
God's great big
And the truth, you know is all we need
[Chorus]:
We are the world
We are the
We are the ones who make a brighter day
So let's start giving
There's a choice we're making,
We're saving our own
It's true we'll make a better day
It's true we'll make a better day Just you and me
Just you and me
Just you and me
Just you and me Send them your,
Send them your, So they'll know that someone cares
Send them your, So they'll know that someone cares And their lives will be stronger and free
Send them your, So they'll know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread So we all must lend a helping
Send them your, So they'll know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread
Send them your, So they'll know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread So we all must lend a helping

Send them your, So they'll know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread So we all must lend a helping [Chorus] When you're down and out There seems no hope at all But if you just There's no way we can fall
Send them your, So they'll know that someone cares And their lives will be stronger and free As God has shown us by turning stones to bread So we all must lend a helping [Chorus] When you're down and out There seems no hope at all But if you just There's no way we can fall Well, well, well, let us realize
