

EDD SHEERAN. WAKE ME UP

I should ink my _____
With your name
And take my _____ out again
And just replace it

See I could do without a tan
On my left hand, where my fourth finger meets my knuckle
And I should run you a hot _____
And fill it up with _____

'Cause maybe you're lovable
And maybe you're my _____
And your eyes turn from green to gray and in the winter I'll
Hold you in a cold place
And you should never cut your hair
'Cause I love the way you flick it off your _____

And you will never know just how _____ you are to me
But maybe I'm just in love when you wake me up

And would you ever feel _____
If you did the same to me
Would you make me a cup of tea
To open my eyes in the right way
And I know you love Shrek
'Cause we've watched it twelve times
But maybe you're hoping for a _____ too
And if your DVD breaks, today
You should got a VCR
'Cause I never owned a Blu-Ray
True say

And now I've always been s*** at computer games and your brother always beats me
And if I lost, I go all cross
And chuck all the controllers at the TV
And then you'd laugh at me
And be asking me
If I'm gonna be home next _____
And then you'd lie with me till I fall asleep
And flutter eyelash on my cheek between the _____

And you will never know just how beautiful you are to me
But maybe I'm just in _____ when you wake me up

I think you hate the smell of _____
You always try get me to stop
But you drink as much as me
And I get drunk a lot

So I'll take you to the _____
And walk along the sand and I'll
Make you a heart pendant
With a pebble held in my hand

And I'll carve it like a _____
So the heart falls where your chest is
And now a piece of me is a piece of the beach and it falls just where it needs to be
And rests _____
So you just need to breathe
To feel my heart against yours now
Against yours now

'Cause maybe I'm just in love when you wake me up

Or maybe I'm just in love when you wake me up
Maybe I fell in love when you woke me up
