

LET IT GO

The _____ glows white on the mountain tonight
Not a footprint to be seen.
A _____ of isolation,
and it looks like I'm the Queen
The _____ is howling like this swirling storm inside
Couldn't keep it in;
Heaven knows I've tried

Don't let them in,
don't let them see
Be the good girl you always have to be
Conceal, don't _____
don't let them know
Well now they know

Let it go, let it go
Can't hold it back anymore

Let it go, let it go
Turn away and slam the _____
I don't care
what they're going to say
Let the _____ rage on.
The cold never bothered me anyway

It's _____ how some distance
Makes everything seem _____
And the fears that once controlled me
Can't get to me at all

It's _____ to see what I can do
To test the limits and break through
No right, no wrong, no rules for me,
I'm free!

Let it go, let it go
I am one with the wind and _____
Let it go, let it go
You'll never see me _____
Here I stand
And here I'll stay
Let the storm rage on

My power flurries through the air into the ground
My soul is spiraling in _____ fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That _____ girl is gone
Here I stand
In the light of _____
Let the storm rage on

The cold never bothered me anyway!
