

I'LL BE THERE FOR YOU. THE REMBRANDTS

So no one told you life was gonna be this _____
Your job's a joke, you're broke, your love life's DOA
It's like you're always stuck in second gear,
When it hasn't been your day, your week, your _____,
or even your year, but...

I'll be there for you...

When the rain starts to pour

I'll be there for you...

Like I've been there _____

I'll be there for you...

'Cause you're there for me too.

You're still in bed at ten, though work begins at _____,
You burned your _____, so far things are going great,
Your mother warned you there'd be days like these,
But she didn't tell you
when the world was brought down to your _____
that...

I'll be there for you...

When the _____ starts to pour

I'll be there for you...

Like I've been there before

I'll be there for you...

'Cause you're there for me too.

No one could ever know me. No one could ever see me.
Seems you're the only one who knows what it's like to be me
_____ to face the day with.
Make it through all the mess with.
Someone I'll always laugh with.
Even at my worst, I'm best with....
you - yeah

It's like you're always stuck in _____ gear,
When it hasn't been your day, your week, your month,
or even your _____, but...

I'll be there for you...

When the rain starts to _____

I'll be there for you...

Like I've been there before

I'll be there for you...

'Cause you're there for me too...
