

EDD SHEERAN. CASTLE ON THE HILL

When I was six years old I broke my _____
I was running from my brother and his _____
And tasted the sweet _____ of the mountain grass I rolled down

I was younger then
Take me back to when

I found my _____ and broke it here
Made friends and lost them through the years
And I've not seen the roaring fields in so long
I know I've grown
But I can't wait to go home

[Chorus]

**I'm on my way
Driving at 90 down those country lanes
Singing to "Tiny Dancer"
And I miss the way
You make me feel and it's real
When we watched the _____ over the castle on the hill**

Fifteen years old and smoking hand-rolled _____
Running from the law through the backfields and getting drunk with my friends
Had my first _____ on a Friday night
I don't reckon that I did it right

I was _____ then,
Take me back to when

We found _____ jobs, when we got paid
We'd buy cheap spirits and drink them straight
Me and my friends have not thrown up in so long
Oh, how we've grown
But I can't wait to go home

[Chorus]

Over the castle on the _____
Over the castle on the hill

One friend left to sell clothes
One works down by the _____
One had two kids but lives alone
One's brother overdosed
One's already on his second _____
One's just barely getting by
But these people raised me
And I can't wait to go home

And I'm on my _____
I still remember these old country lanes
When we did not know the _____
And I miss the way
You make me feel and it's real
When we watched the sunset over the castle on the hill
Over the castle on the hill
Over the castle on the hill
