

SUPERHERO SONG

You might say I'm a normal _____
Most of the time I guess I am
But if there's trouble I'll be there
I have just the thing to wear

I'm a _____
Look at me go
I'm a superhero
Look at me go

Flying through the _____
Fighting the bad guys
There's no need to fear
Cuz I'll be _____

I'll be your superhero

Flying through the sky
Fighting the bad _____
There's no need to fear
Cuz I'll be

Flying through the sky
Fighting the bad guys
There's no need to _____
Cuz I'll be here

I'll be your superhero
Look at me go
