

HAPPY. LEONA LEWIS

Someone once told me
that you have to
What you win or
You can't have everything
Don't you take
You might feel the pain
Don't you love in vain
Cause love won't set you
I could stand by the
And watch this pass me by
So unhappy but safe as could be

So what if it hurts me
So what if I break down
So what if this just throws me off the edge
My feet run out of ground
I gotta find my place
I wanna hear my
Don't care about other pain in front of me
Cause I'm just try to be happy, yeah
.....wanna be happy, yeah

Holding on tightly
Just can't let it go
Just try a play my roll
..... disappear, oooh
Well all these
They feel like they're the same
Just different, different names
Get me out here
Well I can stand by the side
And.....this life pass me by
Pass me by

CHORUS

So any turns that I can't see
I'll count a stranger on this.....
But don't say victim
Don't say

So what if it hurts me
So what if I break down
So what if this world just throws me off the edge
My feet run out of ground
I gotta find my
I wanna hear my sound
Don't care about all the in front of me
Cause I'm just try to be happy
Just wanna be happy
