

DON'T WORRY BE HAPPY

Here is a little song I wrote
 You might want to sing it note for note
 Don't worry, be happy
 In every life we have some _____
 When you worry you make it double
 Don't worry, be happy

(x 4)

Ain't got no place to lay your head
 Somebody came and took your _____
 Don't worry, be happy
 The land lord say your rent is late
 He may have to litigate
 Don't worry, be happy
 Look at me I am happy
 Don't worry, be happy

Here I give you my phone number
 When you worry call me

I make you happy

Don't worry, be happy

Ain't got no _____, ain't got no style
 Ain't got not girl to make you _____

But don't worry be happy

Cause when you worry

Your _____ will frown

And that will bring everybody down

So don't worry, be happy (now)

(x 4)

There is this little song I wrote

I hope you learn it note for note

Like good little children

Don't worry, be happy

Listen to what I say

In your life expect some trouble

But when you _____

You make it double

Don't worry, be happy. Be happy now

Don't worry don't do it, be happy

(x4)

Put a smile on your face

Don't bring everybody down like this

Don't worry, it will soon past

Whatever it is

Don't worry, be happy
