

PASSENGER. LET HER GO

Well, you only need the _____ when it's burning low,
Only miss the sun when it starts to _____ ,
Only know you love her when you let her go.

Only know you've been high when you're feeling low
Only hate the road when you're missing _____
Only know you love her when you let her go...
And you let her go.

Staring at the bottom of your _____
Hoping one day you'll make a dream last
But dreams come slow, and they go so _____
You see her when you close your eyes
Maybe one day you'll understand why
_____ you touch surely dies

**But you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go**

**Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go**

Staring at the ceiling in the _____
Same old empty feeling in your _____
'Cause love comes slow, and it goes so fast

Well you see her when you fall _____
But never to touch and never to keep
Cause you loved her too much, and you dived too _____

CHORUS

And you let her go
ooooh oooooh oh no

Well you let her go
ooooh oooooh oh no

Cause you only need the light when it's burning low
Only miss the _____ when it starts to snow
Only know you love her when you let her go

Only know you've been high when you're feeling low
Only hate the _____ when you're missing home
Only know you love her when you let her go

Cause you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go

Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
