

THE FRAY. HOW TO SAVE A LIFE

Step one, you say we need to _____
He walks, you say sit down, it's just a talk
He smiles politely back at you
You stare politely right on through
Some sort of _____ to your right
As he goes left, and you stay _____
Between the lines of fear and blame
You begin to wonder why you came

Where did I go wrong?

I lost a friend

Somewhere along in the bitterness

And I would have stayed up with you all _____

Had I known how to save a _____

Let him know that you know _____

Cause after all, you do know best

Try to slip past his defense

Without granting innocence

Lay down a list of what is _____

The things you've told him all along

And pray to God he hears you

And I pray to God he hears you

[Chorus]

As he begins to raise his _____

You lower yours and grant him one last _____

Drive until you lose the _____

Or break with the ones you've followed

He will do one of two _____

He will admit to everything

Or he'll say he's just not the same

And you'll begin to _____ why you came

[Chorus: x2]

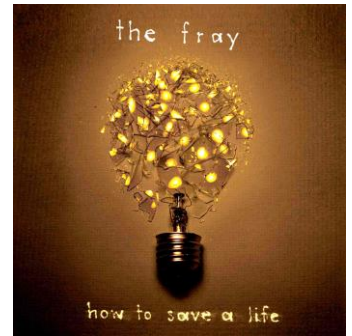

How to save a life

How to save a life

[Chorus: x2]

How to save a life
