

EVERYTIME I SEE YOU. JEWEL

Everytime I think of you,
I feel shocked right through with the both of you,
It's no problem of mine but it's a _____ I find,
Living a life that I can't leave _____ .

There's no sense in telling me.
The wisdom of the fool won't set you _____ ,
But that's the way that it goes and it's what nobody knows,
Well everyday my _____ grows.

CHORUS:

Everytime I see you falling,
I get down on my _____ and pray,
I'm waiting for that final moment,
You say the words that I can't say.

I feel fine and I feel _____,
I feel like I never should,
Whenever I get this way I just don't know what to say,
Why can't we be ourselves like we were _____ .

I'm not sure what this could mean,
I don't think sure what you see,
I do admit to _____ that if I hurt someone else,
Then I'll never see just what we're meant to be.

CHORUS:

Everytime I see you falling,
I get down on my knees and _____ ,
I'm waiting for that final moment,
You say the words that I can't say.
