

# FRAN'S HOUSE

## Complete the transcription

Hello, my name is Frances. I live in Spain, in a villa in an area \_\_\_\_\_ Moraira.

We live in a little place called Villatel.

We have a lovely villa, a split-level villa, with my \_\_\_\_\_ and her husband living upstairs, and we live downstairs.

We have two bedrooms, one \_\_\_\_\_, kitchen, lounge and a naya.

We have a beautiful \_\_\_\_\_ that my daughter tends, a lovely swimming pool, with loads of animals round the pool, and we have views of the grapes vines over the \_\_\_\_\_.

I like living in Spain very much. I like the climate, the people are very nice, and we eat out quite a lot. We find the \_\_\_\_\_ is very good here, and very \_\_\_\_\_ to eat in this area.
