

## THE RECIPE

We're back with Stephanie on cooking. Stephanie, can you recommend a typical Spanish \_\_\_\_\_ that you cook at home?

Well, I like cooking tortilla. Obviously everyone has their own \_\_\_\_\_, but I will tell you how I cook it.

I take some potatoes and \_\_\_\_\_ them, then \_\_\_\_\_ them up very small, put them in water, and \_\_\_\_\_ them up until they are soft. Then I put them in a \_\_\_\_\_ with some olive oil, and some onions which I've also chopped. And then I \_\_\_\_\_ these over until they're cooked.

In another bowl, I \_\_\_\_\_ four eggs, put in some salt and pepper, \_\_\_\_\_ them up.

Then I take the potatoes and the onions from the frying pan and \_\_\_\_\_ them in with the eggs.

I then put them back in the frying pan under a low \_\_\_\_\_, and cook until it is thoroughly brown.

Thank you.
