

## PEACE SONG. Bob Sinclar

Remember the days  
when we used to play in the \_\_\_\_\_  
flowers in our \_\_\_\_\_  
no worries a peace  
will be love  
you never hurt anyone  
cuz it bleus eyes, love  
like a word in a send  
and beautiful, so beautiful  
together

### **Chorus:**

just want to be, to be, to be \_\_\_\_\_  
just you and me  
to be, to be together  
cuz you know who you are  
how do you think you are  
all the time return  
everywhere

do you everything  
like running away  
when we turn on you  
I look at the \_\_\_\_\_  
see it day in our brain  
like the ever bleu  
but ya'll need I believe  
that the power \_\_\_\_\_  
this says is true  
like a word in a send  
and beautiful, so beautiful  
together

### **Chorus**

Lady, man  
when \_\_\_\_\_ shine  
I think of peace and love  
from a \_\_\_\_\_  
common there

### **Chorus**

TOGETHER SUN STARS SKY HAIR LOVE BIRD
