

EDD SHEERAN. DRUNK.

I wanna be drunk when I _____
On the right side of the wrong bed
And every excuse I made up
Tell you the _____ I hate
What didn't kill me
It never made me stronger at all.
Love will scar your make-up lip sticks to me
So now I'll maybe leave back there
I'm sat here wishing I was _____
I know I'll never hold you like I used to.

But our house gets cold when you cut the heating
Without you to hold I'll be _____
Can't rely on my heart to beat it
'Cause you take part of it every _____
Take words out of my mouth just from breathing
Replace with phrases like when you're leaving me.

**Should I, should I?
Maybe I'll get _____ again
I'll be drunk again
I'll be drunk again
To feel a little love**

I wanna hold your heart in both hands
I'll watch it fizzle at the bottom of a Coke can
And I've got no plans for the _____
So shall we speak then
Keep it between friends
Though I know you'll never love me like you used to.

There maybe other people like us
You see the flicker of the clip when they light up
_____ just create us, burns don't heal like before
You don't hold me anymore.

On cold days Coldplay's out like the band's the name
I know I can't heal things with a hand shake
You know I can't change as I began saying
You cut me wide open like landscape
Open bottles of beer but never _____
To applaud you with the sound that my hands make.

CHORUS

All by _____ , I'm here again
All by myself, You know I'll never change
All by myself, All by myself
I'm just drunk again
I'll be drunk again
I'll be drunk again
To feel a little love.
