Game Ideas

The Witch on the Broom Says

How to Play: One person plays the role of the Witch and he or she stands facing the rest of the group who are the players. The Witch tells players what they must do. However, the players must only obey commands that begin with the words 'The Witch on the Broom says'. For example, if the Witch says, 'The Witch on the Broom says touch your nose', then players must touch their nose. But if the Witch simply says, 'Jump', without first saying 'The Witch on the Broom says', players must not jump. Those that do jump are out. The last player standing wins and becomes the next Witch. For an extra bit of fun, get a broom for the Witch to hold or 'ride' during game play.

Pin the Wand on the Witch

How to Play: Find the 'Make a Wand!' activity in this event pack. Make as many copies as you need and have everyone cut out their wand and colour it in. Hang your Room on the Broom poster on a wall, roughly at eye level for the children. Place sticky tack or tape on the back of everyone's wand and have them line up in front of the poster. Blindfold the first child in the queue and gently spin them around three times. Point the child toward the poster and ask them to place the wand on the witch. Once every child has had a turn, the child with the wand closest to the correct position wins.

Witch, Witch, Broom

How to Play: Select someone to be 'It' and have all the other players sit in a circle. 'It' walks around the circle tapping each player on the head saying 'witch' each time until he/she decides to tap someone and say 'broom.' That person must run after 'It', trying to tag him/her before 'It' can run all the way around the circle and sit in the gap left by the chaser. If the chaser tags 'It', then the chaser keeps their spot in the circle and 'It' must try again. If 'It' is not tagged, then the chaser becomes the next 'It'.
