Hello Andie, welcome to Mansión Inglés. Andie, what do you do for a living?

I'm a social worker.

Really? Erm..what do you like about your \_\_\_\_\_?

Erm..I like working with families and kids.

Ah-huh..and is there \_\_\_\_\_you dislike about it?

It's very stressful.

Why is it stressful?

Because we have to fill out a lot of papers, and because it's very serious \_\_\_\_\_.

Right. Er..do you speak any other \_\_\_\_\_?

Spanish.

Really?

Really!

And..erm..do you \_\_\_\_\_ your Spanish for your job?

Yes every day, \_\_\_\_\_. I work with a lot of Spanish speaking families. And it's a big asset that I speak Spanish in my job.

Hmm..okay. And finally, if you were not a social worker, what do you think you would like to do, as a career change?

I have no \_\_\_\_\_. Maybe..erm..oh gosh..maybe teaching or erm..oh.. policy. I'd like to work in policy.

Right, thank you very much.

You're welcome.
