

LOVE YOU LIKE A LOVE SONG. SELENA GOMEZ

It's been said and done
Every _____ thought's been already sung
And I guess right now, here's another one
So your _____ will play on and on, with the best of 'em

You are beautiful, like a dream come alive, incredible
A centerfold miracle, lyrical
You saved my _____ again
And I want you to know, baby

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep hitting repeat-peat-peat-peat-peat-peat

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby
And I keep hitting repeat-peat-peat-peat-peat-peat

Constantly, boy you played through my mind like a _____
There's no way to describe what you do to me
You just do to me, what you do
And it feels like I've been rescued

I've been set free, I am hypnotized by your _____
You are _____, lyrical, beautiful
You are, and I want you to know, baby

CHORUS

No one compares
You stand alone, to every record I own
Music to my _____ that's what you are
A _____ that goes on and on

CHORUS

Like a love song

Magical
Beautiful
Melody
Song
Destiny
Symphony
Heart
Life
